FIELD WORK REPORT BACHELOR OF SOCIAL WORK YEAR 2021-22

Field Work (practical) is an essential component in social work education. Practicum is a sole of social work education. Field Work components are important and useful to become a professional social worker. There were six semesters in U.G. Level. In UG level field work following agencies were included for the field work which are ICDS centre, School setting, Open Community as well as Welfare agencies for ex. Government shelter home for boys, special adoption agencies, Child line, one stop centre etc. The main purpose of field work is to develop the personality of student as well as skills of counselling, to aware the current situation, skills of problem-solving methods etc. Students are learn personal and community problem through this fieldwork activities. Student implement all methods and techniques in their respected field which they taught in theories. Through this implementation, it is helpful to society to increase their socio-economic status. Through the field work activities our student arrange awareness campaign on education, healthy communication in family as well as in society. Student always arrange the medical camp for uplift the health status of community members.

Student of Social Work profession learn various types of knowledge, methods, training and skills through their prescribe syllabus. It is helpful to implement in the field. They arrange the programme for adolescent girls, boys, women as well as all beneficiaries including in the field.

Social work students get knowledge from community and gave their best to the society .

The objectives of those demonstration sessions are as follows.

1. To develop the observation skill .
2. To introduce students to the features and characteristic of social system.
3. To sensitize the people of the community to their needs, problems and social issues.
4. To introduce the student about Social Policy, Legal Process and Legal matters for develop the social sensitivity.

Principal I/c.
Dr. Ambedkar College of Social
Work, WARDHA

5. To develop the ability among student to examine the program, organization skills, evaluation techniques, develop communication skill.
6. To develop the ability to handle the different situations.
7. To develop the skills of students to play the role of mediator for gender equality awareness and justice.
8. Students are introduced to organizational structure, means of organization and administrative work.

As above, many objectives should be fulfilled through social work education and training, especially through demonstrations. All these field work done by student in society.

Contribution of Social Work Practice to Community Development (UG. Level)

1. Social Work student help and create the awareness among community people. To promote community members for identify their needs and problems. They always try to develop the capacity of members for sustainable development.
2. Help community members to resolve their group and community issues.
3. Conducted the welfare programs in the community and spread awareness about government scheme, Some people got the scheme through our students.
4. Specially focused on women empowerment programme.
5. There is a valuable contribution in the economic and social development of the community.
6. Conduct various health related activities in the ICDS project and in community for improve the health status .
7. Arrange various guest lecture on elimination of mental problems and emotional problems of people in the community.

FIELD WORK REPORT

MASTER OF SOCIAL WORK

YEAR 2021-22

Field work is a compulsory component for M.S.W. students. Students should be aware of various organizations, after getting exposure students can use it for professional social work. For getting experiential learning institute collaborated with various organizations and communities. Class in-charge form the groups of students for the purpose of doing fieldwork. In the field work, student's studies and identify the various needs of the community.

In the year 2022-23, 234 students were enrolled for M.S.W course. In M. S. W. Part I students were given institutional fieldwork in various institutions. A total 18 visits were compulsory. In the institutional field work, our students learn about the administration, the available services, concern government scheme, the process of documentation and other related aspects.

M. S. W. Part 2 covers students of various specializations. Our institute run 4 specializations. Out of all post graduate students, 10 students enrolled for Community Development specialization. 33 students enrolled for Medical and Psychiatric specialization, 13 for Family and Child studies and 7 for Human Resource Management.

In accordance with the above specialization, the students will visit the designated institution regularly and get to know the administrative structure and the activities implemented within the institution.

They are trying to acquire various skills by participating in ongoing activities. They also carry out various activities like providing medical services in the community, creating public awareness through street play on various issues, creating awareness about human rights, informing the citizens about their rights and entitlements and producing grains from the point of view of environmental protection and conservation. This helps the students to learn the skills of how to plan and organize the relevant event.

In this year, this kind of work was also done by the students through field work

Sub.: Requesting for permission of observation Visit for MSW (Medical & Psychiatric) Students.

Respected Sir / Madam,

We are pleased to inform you that our college is imparting social work education and training since 1993 successfully, through UG & PG Course. Field Practicum is the ingredient part of course through which students are oriented to the working various organizations. Educational visit is the part of same activities in which students are required to study administrative structure, welfare functions and social services of the organizations.

So we want to visit your hospital for uplifting knowledge. Your hospital is the identity of your social sensitivity so we want to visit your hospital for uplifting our knowledge. This visit definitely helps us to give the induction of medical setting.

We kindly request you to grant permission to visit your organization, a reputed and work-oriented center, as we are planning to visit your organization under educational observation study programme of MSW Final Year Medical & Psychiatric students. We are sure that this visit may extend the horizon of knowledge and depth of experience of the students. Kindly co-operate us by giving permission to visit your organization.

Date of visit :- 10/12/2021

Subject:- Regarding getting permission for field work (BSW IVth Sem.)

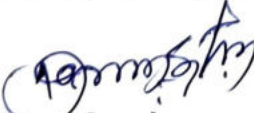

Respected Sir,

Regarding the above subject, our college has been successfully imparting education and training in Bachelor of Social Work (BSW) and Post Graduate (MSW) courses since 1993. Practical work is a compulsory part of the social work course and work in social welfare organizations, voluntary organizations, rural, urban backward class communities and tribal projects etc. Work is done at the community level and through it, qualities like planning, organization, organizing, counseling and implementation of development work are developed, skills and social motivation, sense of responsibility.

B.S.W. IVth sem. Students studying in N should be given the opportunity to do field work in their community as the university curriculum has guidelines to work with the community and to get enough work experience for the future social worker. Our work d. Starting from 04/03/2022 this work will continue for a total of 16 visits and a group of 9 students will regularly work under the organization in their community.

Request permission to work in your community.

Thank you for your cooperation.

To,
Superintendent,

CHILDREN HOME FOR BOYS ,

Subject :

Respected Sir,

Through our college BSW and MSW courses are conducted. As this course is training based in nature, practical part is mandatory. It is based on practical specialization.

In this home school, **M.S.W. Specialization in family and child studies** at master's level. In it, complete scientific study and demonstration of child and family system is expected.

Your organization works for the rehabilitation of orphaned children. We are choosing your organization for the organizational work of students because you have been doing the work of settling disputes between husband and wife and bringing reconciliation between them for many years. Students will perform regular organizational work from 18/04/2022 to 29/04/2022.

As the present institution comes under your jurisdiction, you are requested to cooperate with us for this educational work and give permission for field work. We will make arrangements to work without any disruption in your daily work. Students shall ensure the strict implementation of Covid-19 protocols Thank you for your co-operation.

Center Incharge,

SP Office,
Wardha

Respected Sir,

Through our college BSW and MSW courses are conducted. As this course is training based in nature, practical part is mandatory. It is based on practical specialization.

In this home school, **M.S.W. Specialization in family and child studies** at master's level. In it, complete scientific study and demonstration of child and family system is expected.

Your organization works for the rehabilitation of women. We are choosing your organization for the organizational work of students because you have been doing the work of settling disputes between husband and wife and bringing reconciliation between them for many years. Students will perform regular organizational work from 20/04/2022 to 27/04/2022.

As the present institution comes under your jurisdiction, you are requested to cooperate with us for this educational work and give permission for field work. We will make arrangements to work without any disruption in your daily work. Thank you for your co-operation.

Subject:- Regarding getting permission for fieldwork

Respected Sir,

Regarding the above subject, it is submitted that Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur has to complete the field work in the community (such as School, Anganwadi, Gram Panchayat, Primary health care center). In the academic session 2021 -2022, the college has announced **B.S. W first year student's field work** in Nager parishad school in Wardha. Under the field work, the social work students will go through the school and interact with the students through counseling, various curricular games, competitions and understand the processes of school development of young children. Which will help to create informed citizens by getting information about the organization related to the society.

It is requested to give necessary instructions to allow the respective schools under its jurisdiction to carry out field work.

School Name:- Salod, Sawangi, Borgaon

Duration of Field Work:- 09/04/2022 to 30/04/22

Days Of Field Work:- Every Friday and Saturday

Subject:- Regarding Block Placement Training (BPT) of MSW passed students

Reference: - Your letter O.NO.AGVSS/ BPT/ 32/2022 Date 21/07/2

Ma. sir,

Regarding the above subject, as per your letter, a total of 10 nominated students of our college are interested in doing BPT Program in your institution. As per the discussion with you on the phone, all the students have been informed about the nature of the work and other information. The terms and conditions in this regard are acceptable to all.

We give you this assurance that the students will not do any harm to your institution or us and will perform the work assigned by you effectively. The college is 100% grateful to you for everything you have provided. Further, we hope you will provide us with other such opportunities in the future and if any work is to be done in this field in future, we will continue to cooperate with you

Thank you
