#### AUDITOR'S REPORT

To Project Incharge I.C.S.S.R, Research Project, Run by Dr. Ambedkar College of Social Work, Wardha – 442001.

I had audited the attached Receipt & Payment of I.C.S.S.R., Research Project, Run by Dr., Ambedkar College of Social Work, Wardha for the Period 01/03/2016 to 30/05/2018.

#### MANAGEMENT RESPONSIBILITY

Management is responsible for the preparation of this statement in accordance with Bombay Public Trust Act and other laws as applicable to trust. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the statements that are free from material misstatement, whether due to fraud or error.

#### **AUDITORS RESPONSIBILITY**

My responsibility is to express an opinion on this these financial statements based on my audit. I conducted my audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the receipts and payments statement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the management's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances [but not for the purpose of expressing an opinion on the effectiveness of the internal control]. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as

evaluating the overall presentation of the financial statements. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for my audit opinion.

1. Wherever proper bills are not available, I had relied upon the internal vouchers produced by the Management.

Subject to above in my opinion and to the best of our information and according to the explanations given to me.

i. The Receipt & Payment of the Project contains true & Fair view of Receipts & payments of the projects.
